

## ELL CONSTITUTION CLUBS DONATION FORM

ELL Constitution Clubs, NFP, is a not-for-profit corporation whose application for 501(c)(3) charitable exemption status is pending with the Internal Revenue Service. While we do not anticipate any problem in attaining exempt recognition, until said recognition is official, any donations to ELL will be deductible as charitable donations conditional upon attaining exempt status and will not be deductible in the unlikely event the application is rejected. In order to take the appropriate conditional deduction, the following information is necessary so that ELL Constitution Clubs<sup>TM</sup>NFP can give you appropriate credit. If you do not provide the information, your payment may not be deductible on your federal income tax return even if exempt status is attained.
